AIR-PACKAGE

For those who only need airfare (domestic or international) and want to ensure that their trip starts worry free. How many people do you know, who couldn't reach the airline during Covid. An airline ticket might be the most important component of your vacation – make sure it's been booked and observed by an Expert who is accessible.

- Collecting your flight preferences
- Ensuring your names are correctly entered into the reservation and submitted to TSA
- Comparing contracted airfares, published airfares, and tour/cruise fares where applicable based on your preference
- Discussing the pros and cons of each option upon presentation, including terms and conditions of the fare
- Adding additional free services and requests like mobility assistance, frequent traveler number, Global Entry, special meal request, bassinet for infants, etc
- Travel Insurance consultation & booking
- Adding optional payable extras like advanced seat reservations, preferred seats up front, additional prepaid luggage, requesting a pet in cabin or cargo hold, etc.
- Requesting upgrades through your frequent traveler program (ticket exclusions apply – must have enough miles to upgrade – upgrades are not guaranteed)
- Emailed delivery of your flight schedule and electronic ticket with all regulations and terms & conditions
- Monitoring your flights & assisting with schedule changes or flight irregularities, should they arise
- Helping with your changes and options, should you want to adjust your tickets after purchase (change fees apply)
- Being your advocate throughout the process and ensuring that you are receiving the best service possible
- Phone & email access to your dedicated travel advisor
